

# Milk Bubbles

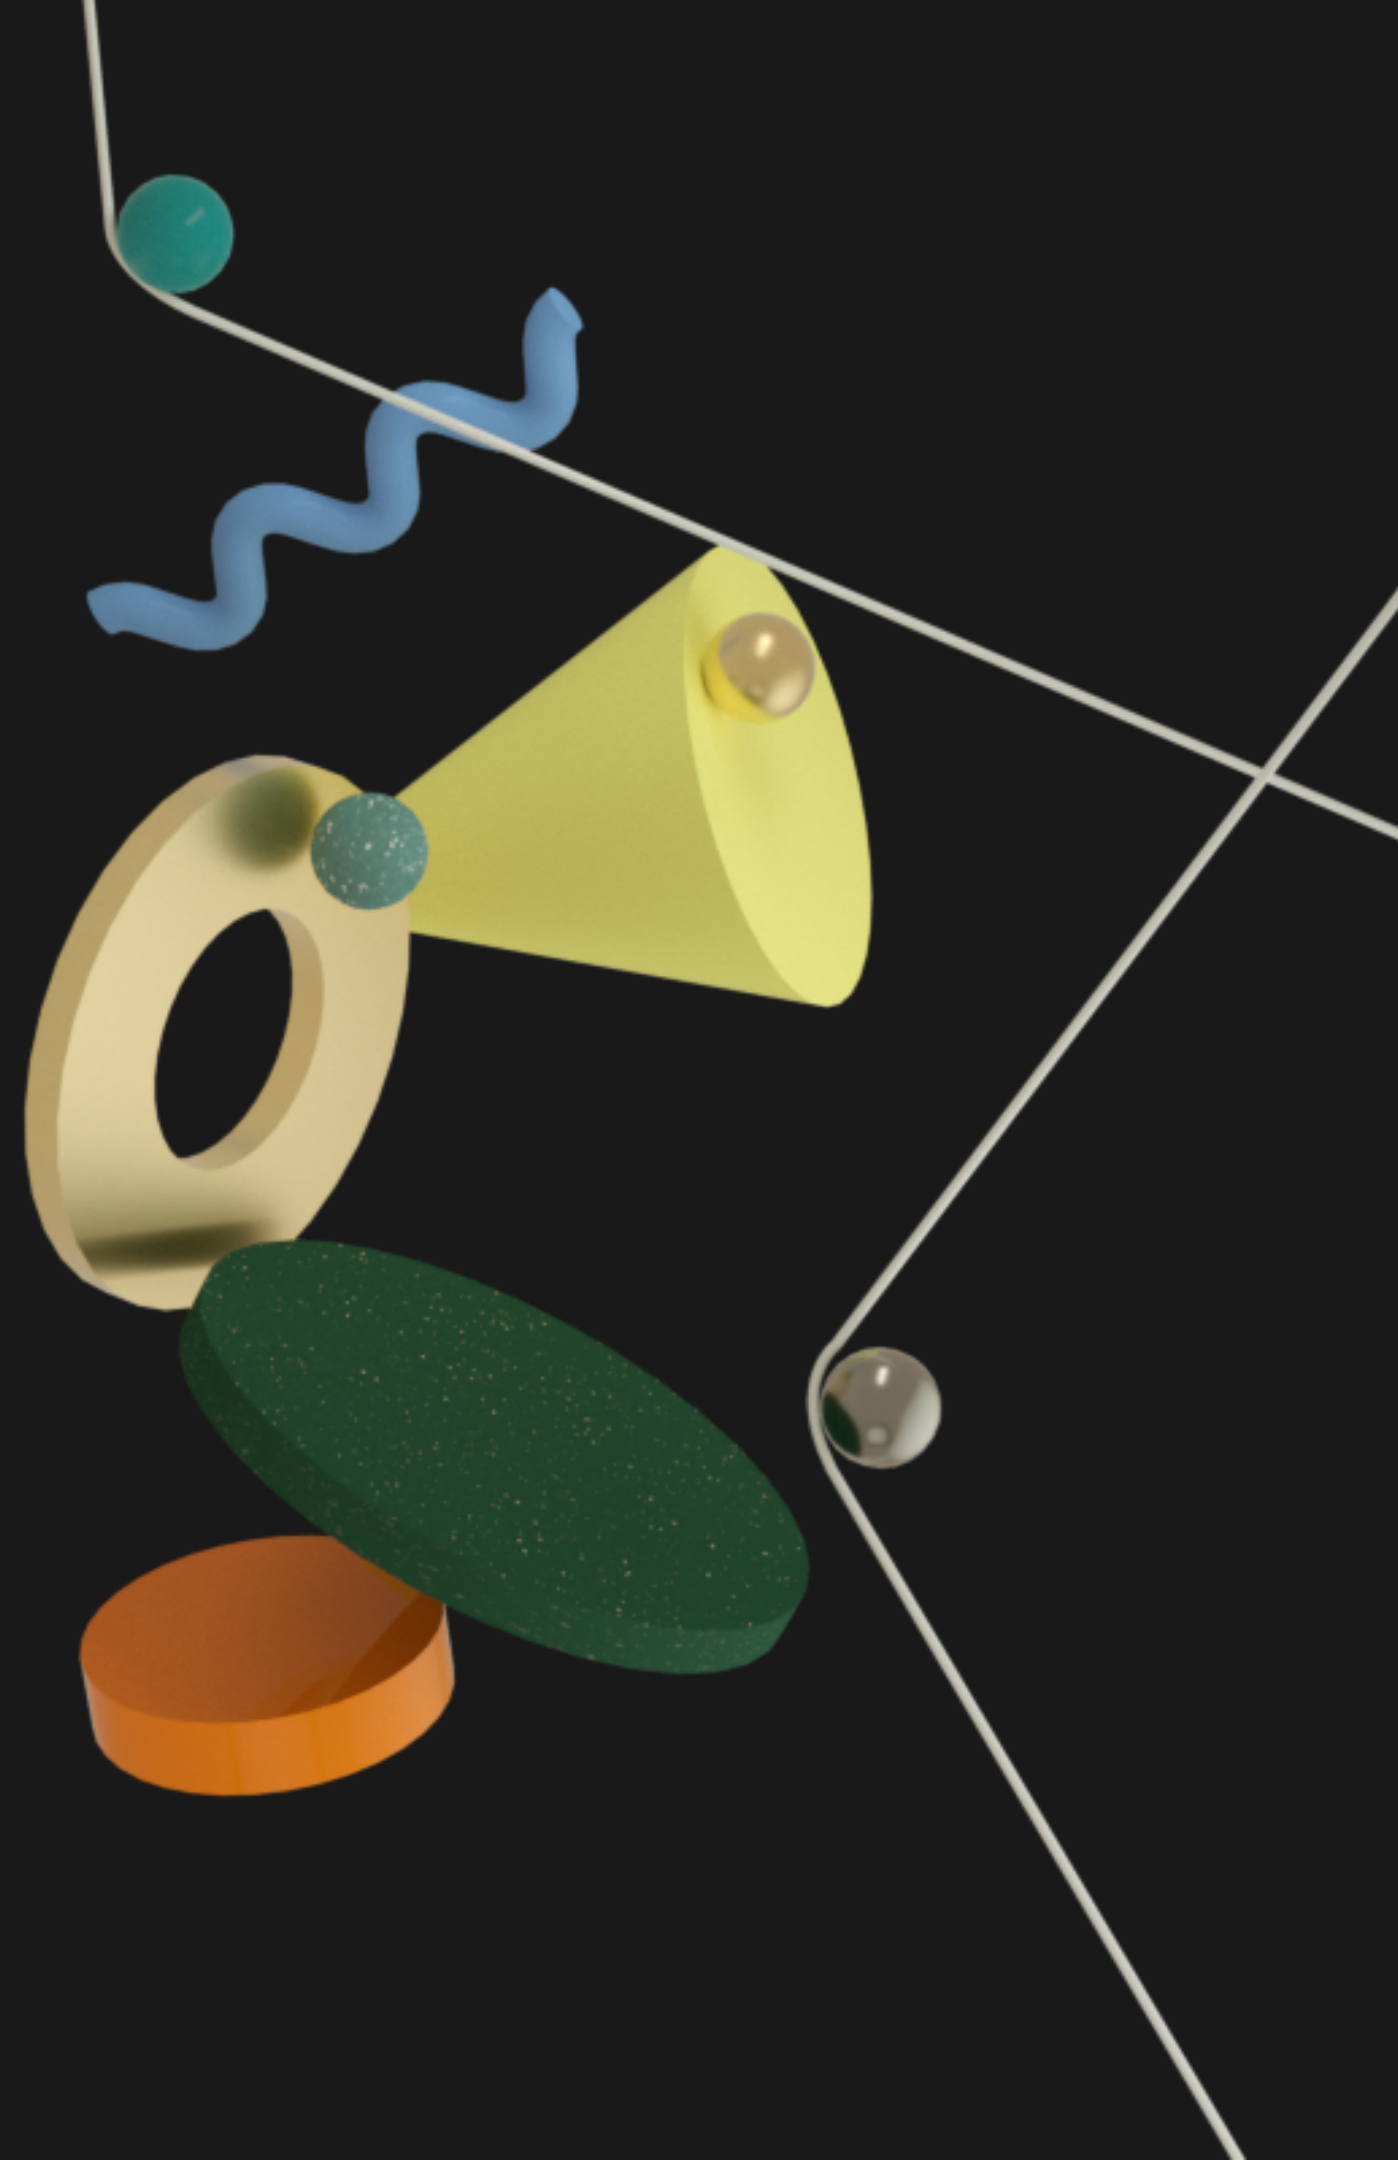

Grades 6 - 8

**Release your  
emotions with  
these satisfying  
patterns.**

**We will use milk and food coloring to make wild, fantastic milk bubbles - patterns which can be transferred to paper.**

# What You Need

01

Cereal bowl

02

Milk

03

Oil

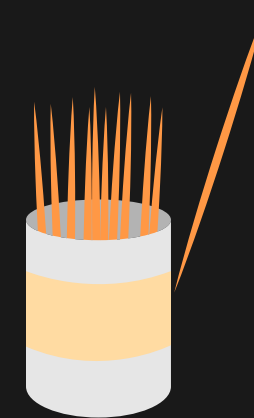

04

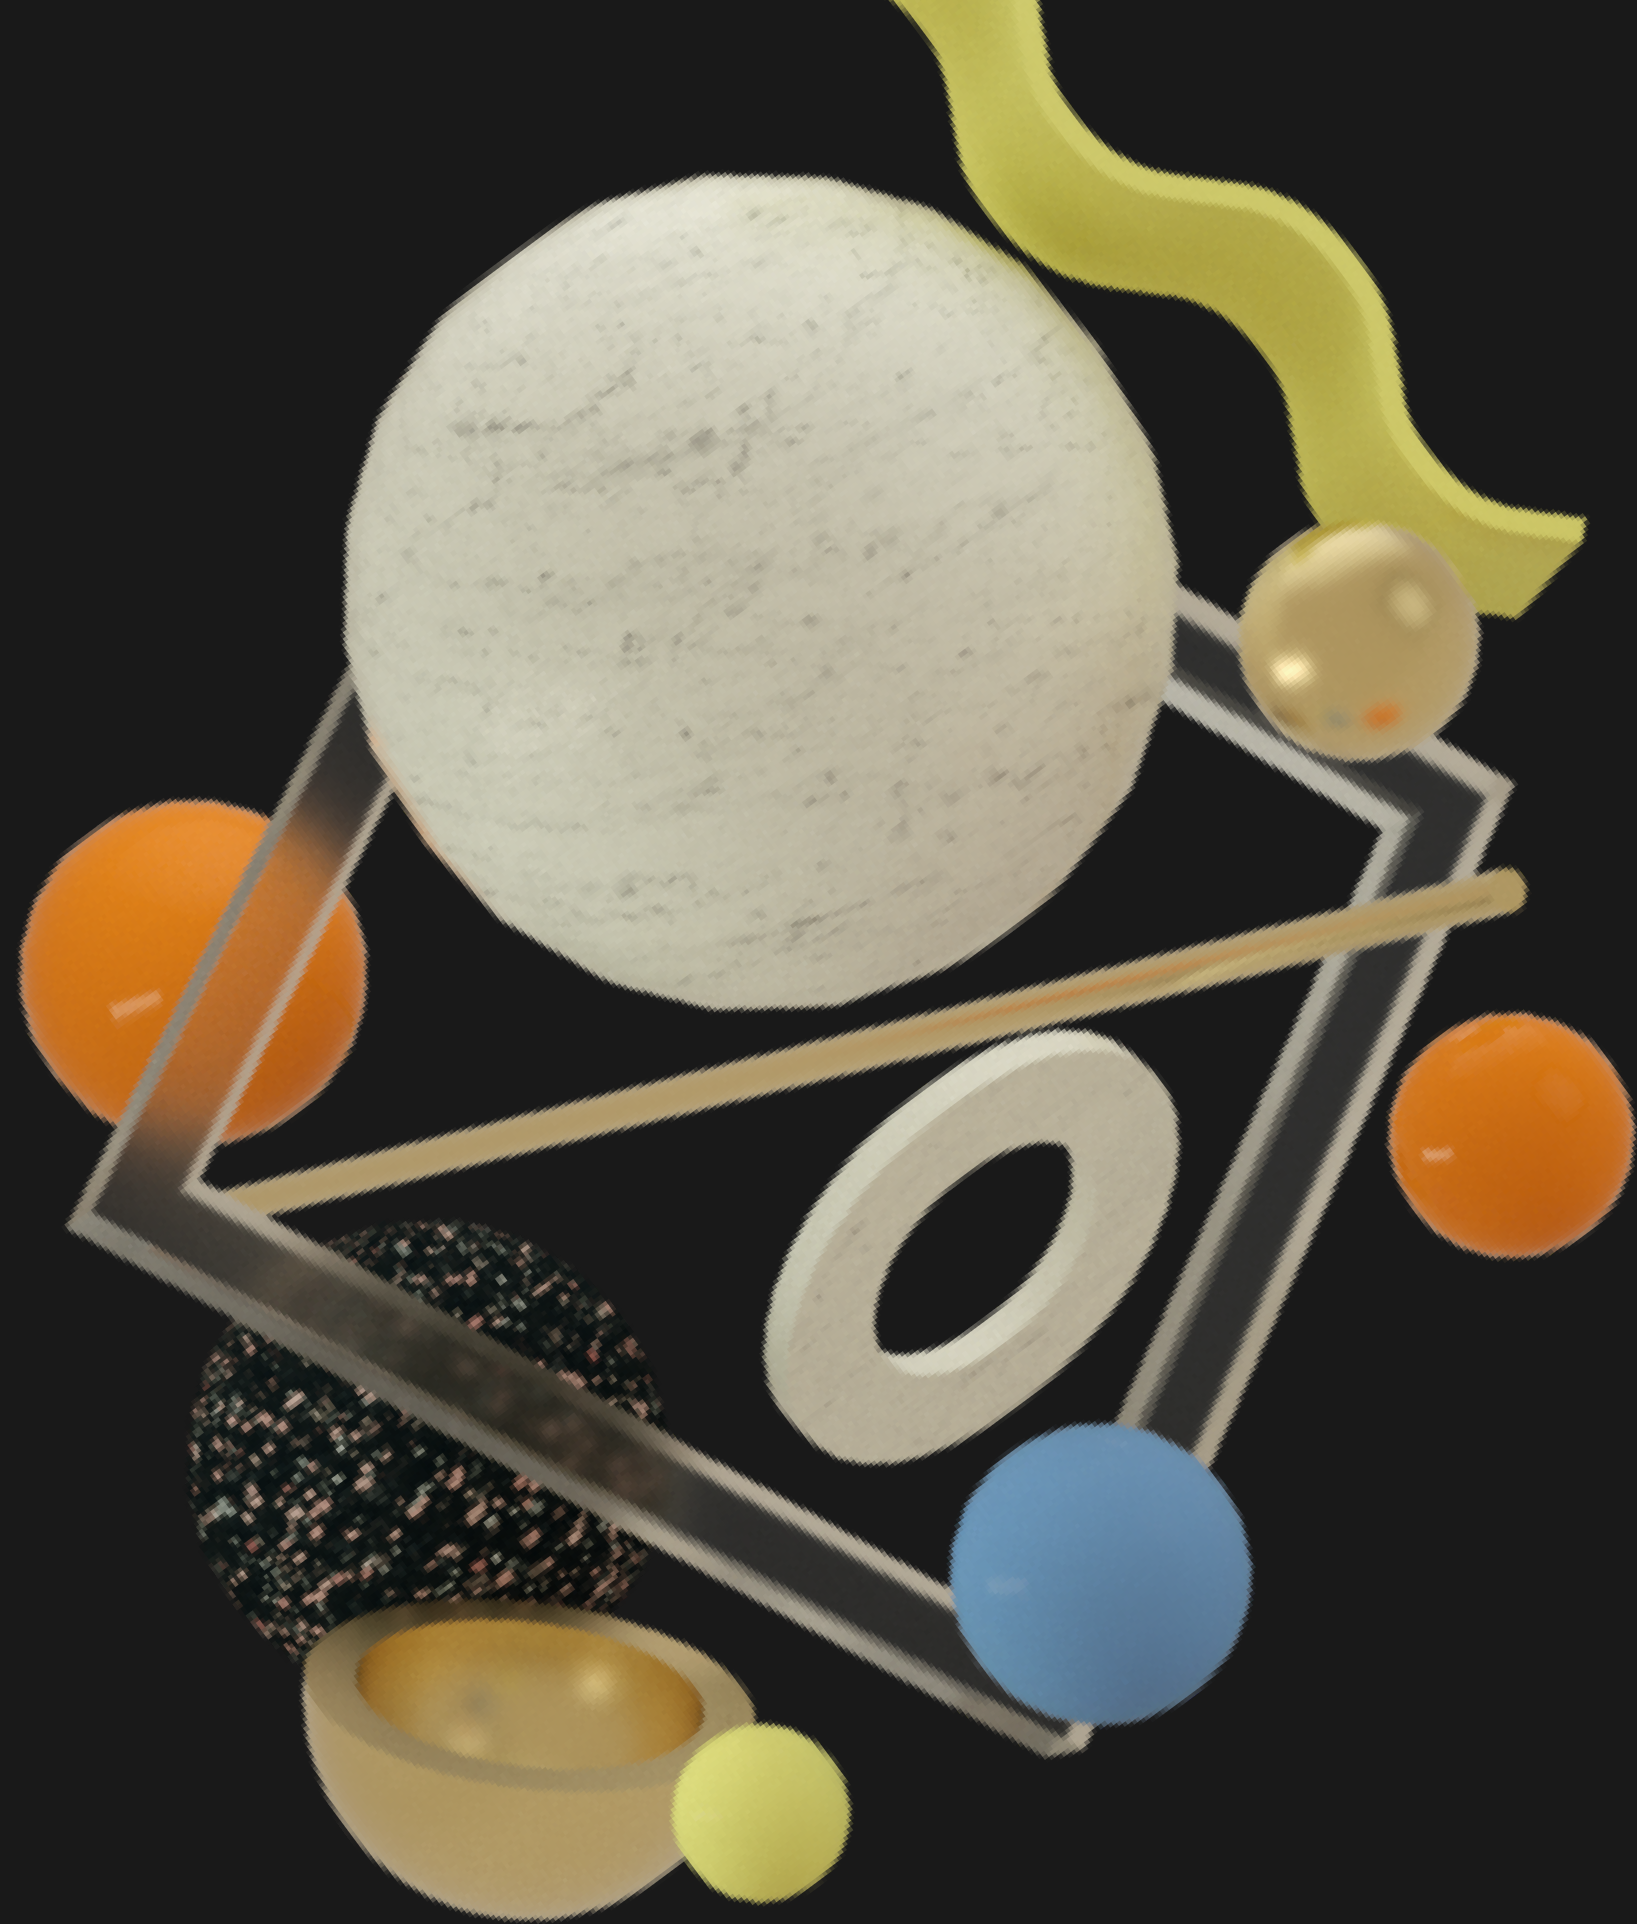

Food Coloring

05

Toothpicks

**How to make  
this?**

# STEPS

01

Pour milk into a cereal bowl

02

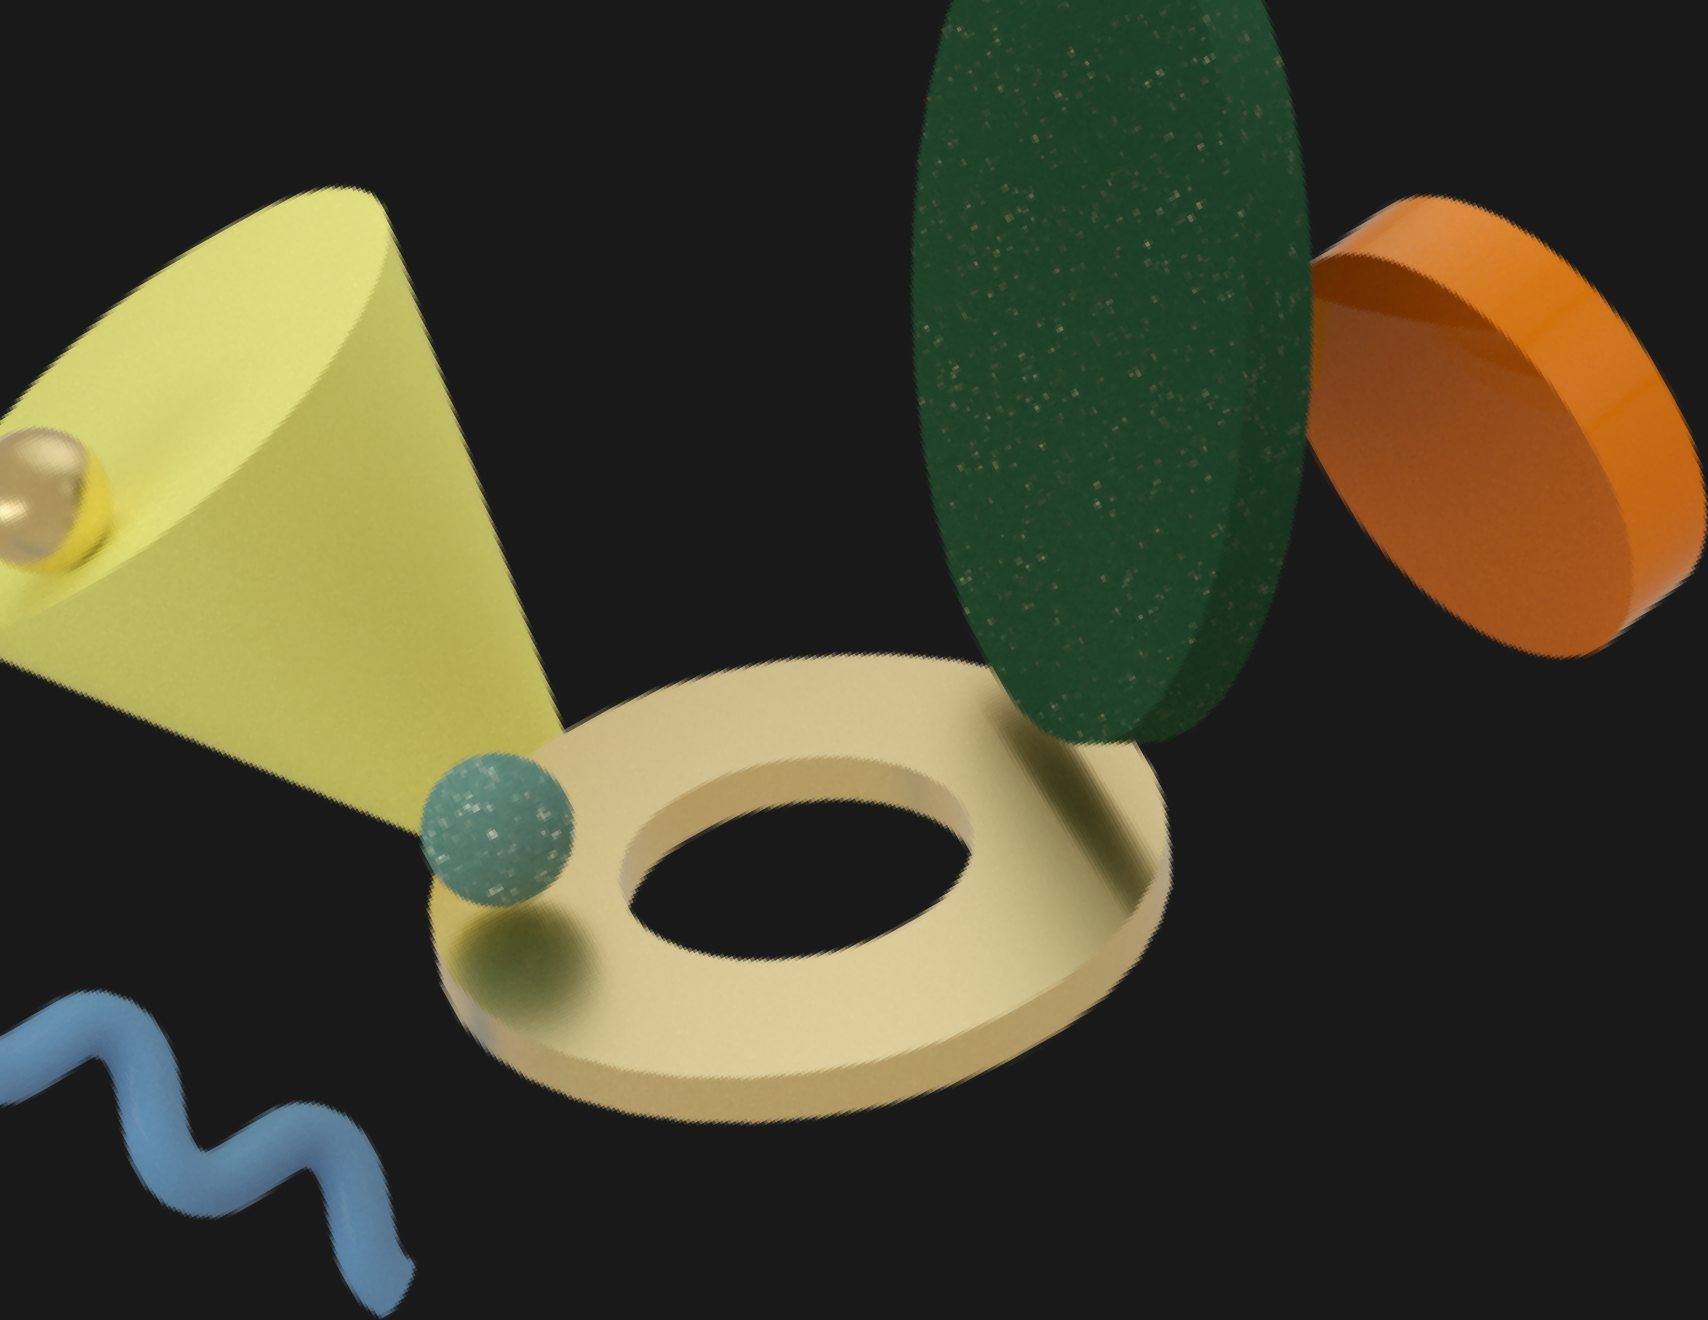

Pour a thin layer of oil on top of the milk

03

Add in a few drops of food coloring

04

Pop the drops of food coloring with a toothpick

**Swirl the colors  
around and make  
beautiful designs!**

Enjoy this step!

Relieve your stress and frustration here.

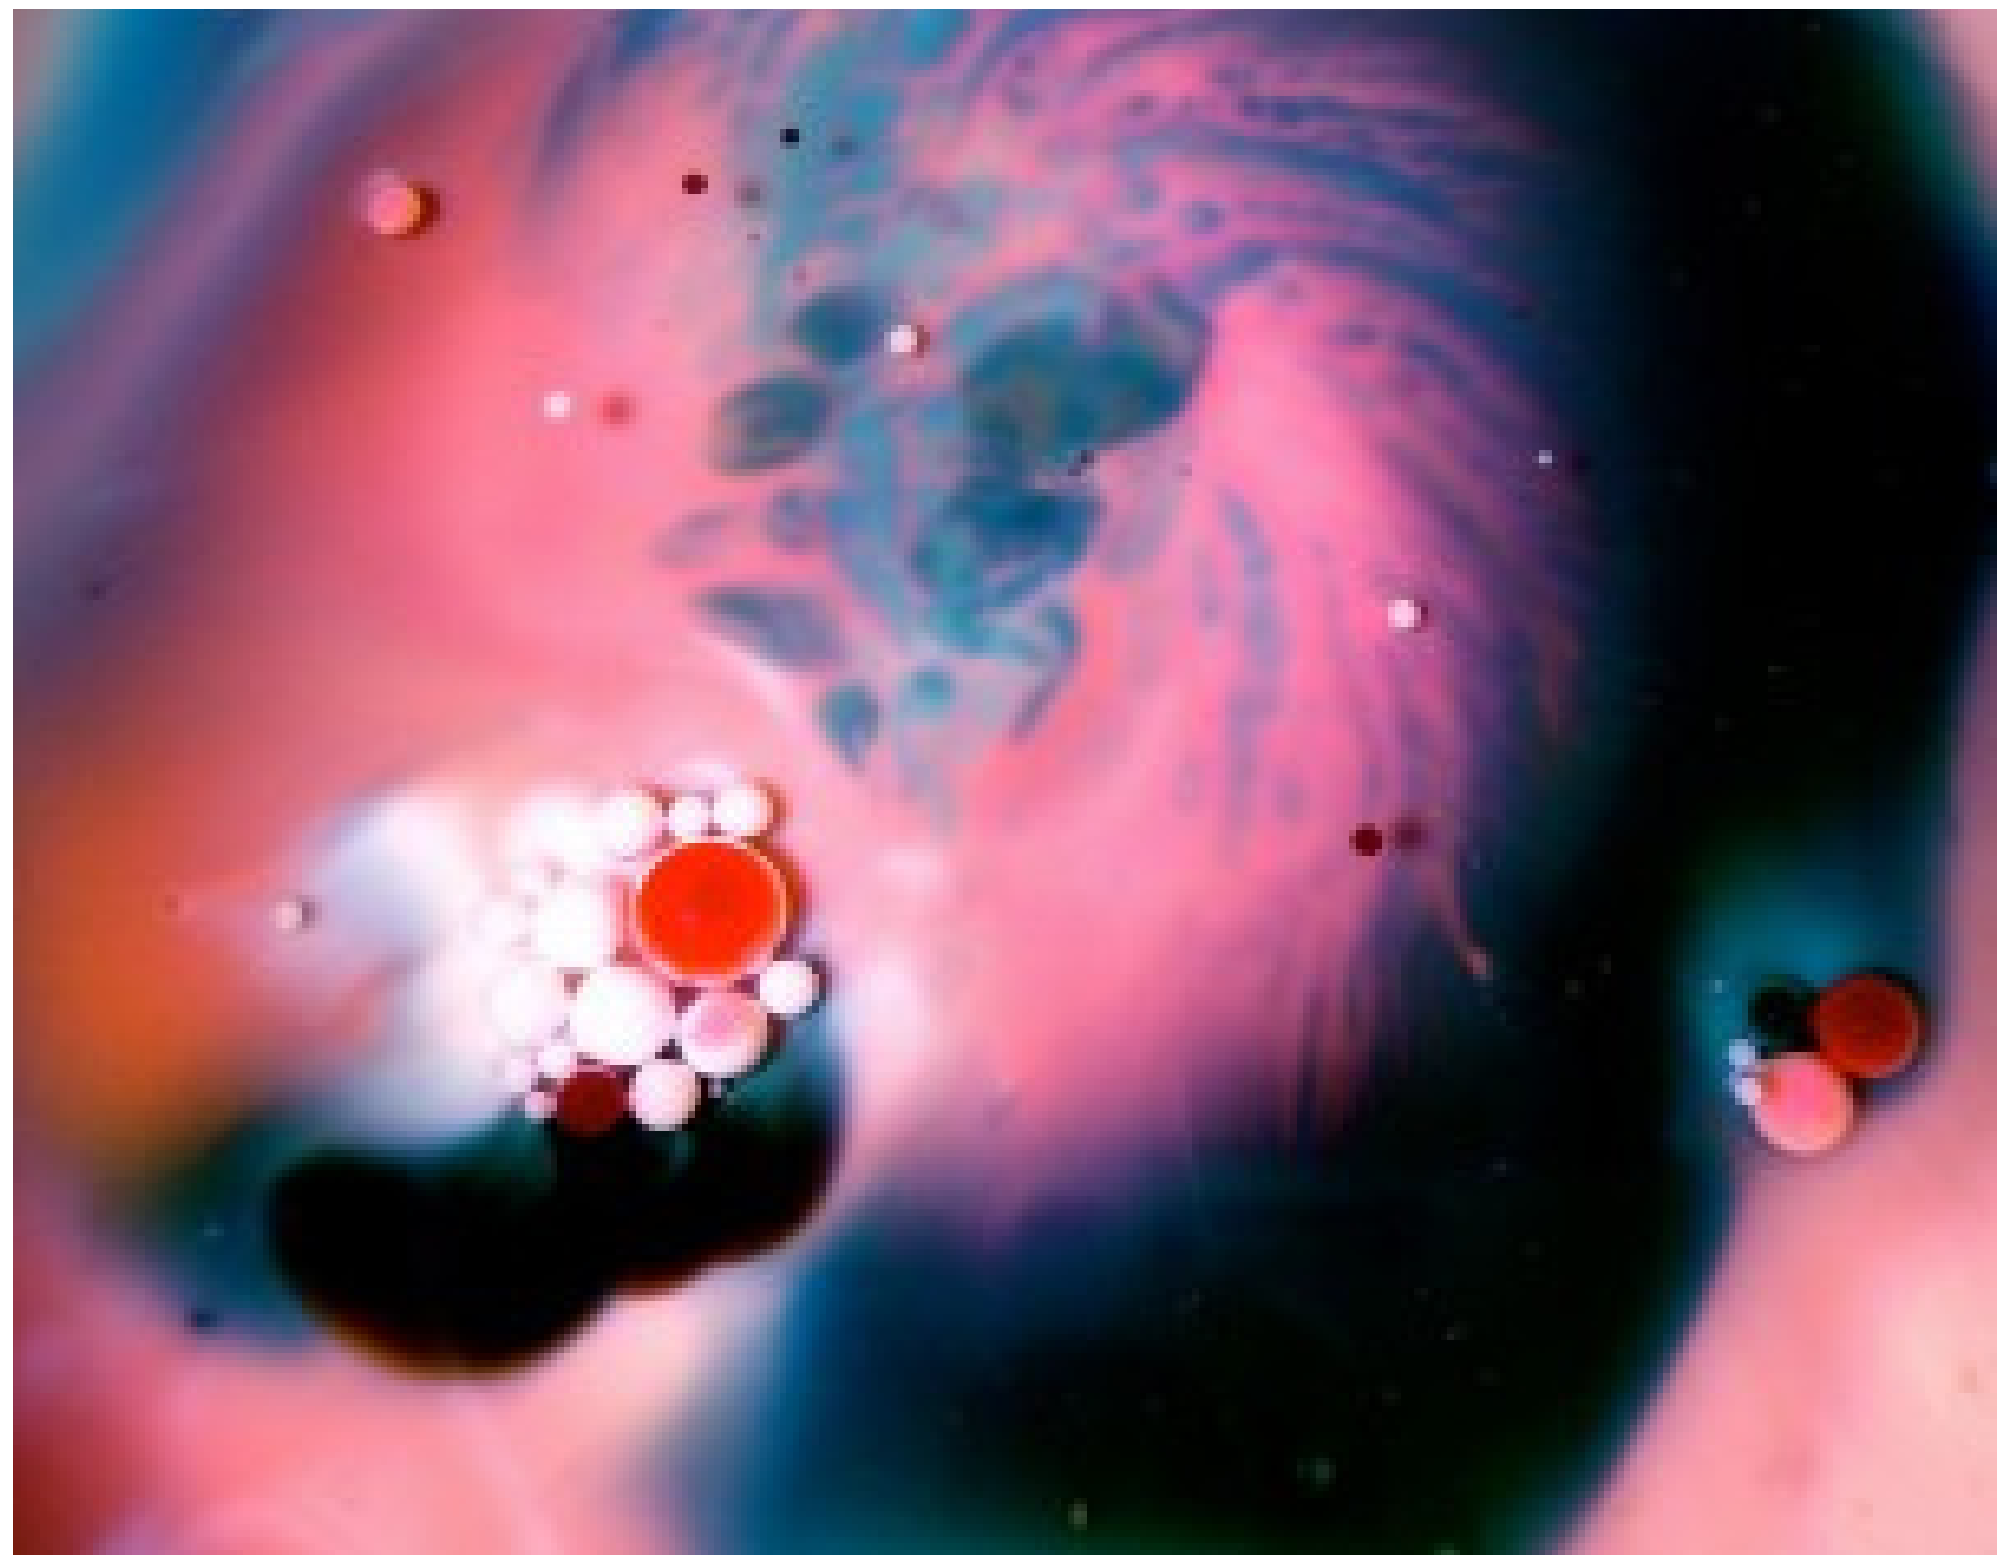

# Optional Step

Place a sheet of white paper over top of the milk bubbles to make a print.

This is to see your milk bubbles' pattern on a sheet of paper!

**Example 1**

**Example 2**

# Good Luck!

# Enjoy the experiment!
